OBJECTIVE

I am a highly driven and hard working graduate, expressing my interest in any position that is available in your company. I aim to assist the organization wherever possible with my IT and Computer Literacy skills, seeking a full-time position or an internship where I can lend my knowledge to help your organization improve profitability. I am very confident that I can make an excellent contribution to your company's operations in a given area. I am dedicated at learning and improving through the required position, by using the skills I have to enhance the working environment.
